

## FFA Scholarship Redemption Procedures

Sharyland FFA would like to congratulate you for a job well done with being selected as a recipient of one or more of our scholarship(s). It is important to note that Sharyland FFA scholarship recipients have only ONE full year from the date awarded to redeem any scholarship awarded to them from the Sharyland FFA or the Friends and Family of the Sharyland FFA Booster Organization. To redeem scholarships, it is the recipient's responsibility to provide the following information to their Ag. Teachers:

- Proof of enrollment in a credited institution or trade school
- Copy of your high school transcript verifying graduation status
- Copy of the Scholarship award letter that was issued to you at our FFA Banquet

When the information above is provided, Teachers will verify qualification and then ask the Friends and Family of the Sharyland FFA Booster Organization to pay the awarded amount to the scholarship recipient.
